Thursday— Year 3 inspiration Day
Friday—

Lost Property

We have an enormous amount of un-named lost property at the moment. I want to say a big thank you to Mrs Bhangra who spent an afternoon sorting it out for us. All the remaining lost property will be displayed outside class Ash and Willow on Tuesday and Thursday afternoon. Please come and have a look to see if any of the items belong to your child. We will dispose of anything left over at the end of the week.

Height and weight checks for children in Reception and Year 6.

Children in the Foundation Stage and Year 6 are due to have their height and weight measured as part of the national Child Measuring Programme. If your child is in either of these year groups then you will have received a letter via your email. Part of the letter makes it clear that if you don't want your child to take part **you must contact the NCMP Team before 22nd December.**

There are also some details about a website you can visit for further information about the programme.

Newsletter

Dear Parents,

Rehearsals for the Christmas performances have begun and I wanted to confirm the dates for you. Please note that Year 1 and Year 2 will be performing separately this year.

The Foundation Stage production of A King is Born (2pm 11.12.17 & 9.30am 12.12.17)

The Year 1 production of a Nativity 18.12.17 1pm at The Good Shepherd

The Year 2 production of Aliens at Christmas (11.12.17 6pm & 12.12.17 6pm)

The Key Stage 2 Carols round the Christmas Tree (18.12.17 9.30am & 2pm)

Further information will be available shortly.

Mark Maksymiw (Headteacher)

Children in Need 2017

Thank you everyone who took part in the fund raising effort for Children in Need this year. Everyone looked fabulous in their spotty outfits and the cake sale was a great success.

All in all we are on course to raise over £660. Well done!

Wake up Shake up- Due to the superb dance moves our children, parents, carers and of course staff seem to have, Wake up Shake up will now be happening every Thursday morning at 8:45am, as long as the weather is fine. It's an excellent way to start the children's day so we look forward to seeing you all there in your dancing shoes.

An Eco-Christmas

In our assembly last Monday, we worked out that, as a school community, we send approximately 13,500 cards in the run up to Christmas. As a result, we spend approximately £1000. Therefore we have set ourselves the challenge of hosting an Eco Christmas. The aim is to cut down on the amount of paper that we use, to spend a little more care and attention on the messages we send and to donate the money we would have spent on cards to the charity Shelter.

What we propose is that the children will make or buy one card each. They will spend some time writing a more meaningful message to the class collectively. Each card that comes in will then be used to create a Christmas Tree display in each classroom. These displays will then be 'judged' by the School Council and the winning class will be awarded a small but sweet prize.

We would really appreciate your support with this challenge.
