Tuesday New Parents being shown round the school, 10 x Key Stage 1 children at multi sports at Woodbrook Vale after school

Wednesday

Thursday Year 3 going to the mosque

Friday bring a prize for the tombola for 'Wear what you want'

Sports News

Four of our Year 6 boys, Josh Mee, Jan Lopich, Josh Harland and Luke Martin went to the Table Tennis County Championships in Leicester on Thursday. The standard was very high and it took our team, representing Charnwood, a while to find their feet. However as the tournament progressed, all the boys started to gain confidence and won many of their matches. They finished seventh overall, which is a really great achievement as most schools in the county took part.

Mr Cook

Two weeks ago Outwoods Edge had an exciting and busy week of sport! On Monday 13th November, Luke Ktorides, Evie Saxelby and Tegan Sharp participated in the Sportsability Competition at Charnwood College. They had a fantastic time and successfully won themselves a medal!

On Friday 17th November, nine children in Year 6 went to Cobden Primary School and participated in the LPAP Dodgeball Tournament. The Outwoods Edge team did incredibly well, beating Hathern in the Quarter Finals. A big well done to everyone who participated! A huge thank you to all the parents who came to support!

Harry Taylor (Sports Ambassador)

Newsletter

Dear Parents,

We are finally approaching the time when our new website will be launched. I hope you like the new look and the way it is designed. I think it is easier to navigate around the pages on the site to find the things you need.

We have also included two new features and they are a Twitter feed and a Facebook page. The purpose of the Twitter feed is to keep you informed about news and events at school. We aim to post information regularly during the week about activities the children get involved with during the school day and beyond. The Facebook page has one purpose and this is to let you see pictures of the children (unnamed of course) at events such as sports tournaments or when we have something special happening at school. There will be a link from the website under the title 'Gallery' that will automatically take you to our Facebook page. We have set the page up so that it is as locked down as far as possible. Comments cannot be left on the page or shared about the photographs. It is simply a way of viewing the pictures. The page is as secure as the website but I realise that some parents might be happy to see pictures of their child on the website but not on a Facebook page, even one that we have made as secure as we can. If this is the case and you DON'T want your child's image on the Facebook page, please let us know by filling the form in below. If you are happy to allow your child to be shown on the page then you do not have to do anything.

Meanwhile, I will let you know the exact launch date as soon as it is confirmed.

Mark Maksymiw (Headteacher)

The School Christmas Fair
Friday 1st December
3.30pm to 5pm.

Please come along!

Facebook

I understand that Outwoods Edge has created a Facebook Page to show pictures of the children at school and on visits. This page has been made as secure as possible. However, I do not wish images of my child to be shown on this page.
