Yr 5 boys football at Boothwood after school

Wednesday —

Thursday — 6.30pm FRIENDS MEETING All welcome.

Come along to meet other parents, discuss plans for the Christmas Fair and other fundraising ideas for the school year.

Friday —

Parents Evening

It was great to see so many of you at Parents Evening last week. I know the teachers really value the opportunity to speak to you and let you know how your child is getting on.

Thank you for all those people who filled in the questionnaire. If you took one home to complete please send it in this week so that I can start to analyse the results. Once I've done that I will let you know the results in the newsletter.

Newsletter

Dear Parents,

You may have noticed that our Key Stage 2 library area in the middle of school looks like it needs some attention. You would be right! The reason it looks a bit untidy is because we planning to move this library down to the Orchard, where the old IT suite used to be. The library team have drawn up plans to create a new and exciting reading space with lots of new books for the children to choose from. In the next few weeks the books from the existing library will disappear and be added to the new books we have bought. There are two things that you can do to help this process. Firstly, could you have a look around your house to see if there are any books with an Outwoods Edge label inside. We would be most grateful if you could return them. Secondly, if you would like to help with the cataloguing of books and organisation of the library then we would like to hear from you. Please pop into reception and pass on your name. Thank you.

Mark Maksymiw. (Headteacher)

Year 4 and Year 6 on Residential Visits.

Children in Year 4 and Year 6 are off this week on an adventure. The Year 4 children will be going to Duke's Barn, a residential site in Derbyshire not too far from Chatsworth House. The children will be participating in a range of outdoor and adventurous activities over their three day stay.

The Year 6 children are going further afield and they will be travelling to a new centre in Wales and staying all week. I am sure that they will have a great time. Let's hope that the weather is kind!

National SumDog Contest

This Friday (3rd November) sees the start of a new National SumDog Maths Contest. In the past, children at Outwoods Edge have been highly successful in these challenges. I would like to encourage as many children to take part as possible. To stand the best chance of success, over the course of the week, children need to answer their 1000 questions as accurately and as quickly as possible. The more children from each class that take part, the better chance the class have of being highly placed.

I will be awarding certificates to the highest placed pupils in each class and there will be a prize for the winning class in school!

Good Luck - Mr Law

**Friends Meeting 6:30pm on Thursday.
Everyone welcome**
