**Monday** Governor Visit Week begins

**Tuesday**

**Wednesday** Keith Munro leading assembly for Key Stage 1

**Thursday** Keith Munro leading assembly for Key Stage 2

**Friday**

## Newsletter

Dear Parents,

The children in Year 4 and Year 6 are all safely back in school after a great adventure in Wales and Derbyshire. We were very lucky with the weather, which was cold but crisp with some sunny days. Luckily the rain stayed away.

Both groups had the chance to experience a range of outdoor activities from walking up a mountain to abseiling down a railway bridge. They built rafts and went kayaking, scrambled over rocks and explored dark and dank caves. All the children had moments when they had to be brave and try something that they would normally shy away from. But I am proud to say that all the children challenged themselves and overcame their fears to try something new.

I also want to say a big thank you to all the staff who accompanied the children. I hope you have recovered!

**Mark Maksymiw (Headteacher)**

## Football News

On Monday 30<sup>th</sup> October, eight children from Year 3 and 4 participated in a boys' football tournament at Mountfields Lodge Primary School. The Outwoods Edge team played two fantastic matches and had some great chances to score in both games. Outwoods Edge won against Mountfields Lodge 2-1 and then won again, beating Holywell 2-0. The boys played really well in both games, winning the whole tournament.

A big well done to everyone who participated!

A huge thank you to all the parents who came to support!

**Harry Taylor (Sports Ambassador)**

## CHILDHOOD SEASONAL FLU VACCINATION

This is just a reminder that the flu vaccination programme will take place at Outwoods Edge on 16th November. A pack containing information and a consent form was sent out at the beginning of October and most of the forms have now been returned. Thank you.

We have also sent out texts to remind parents who have not yet returned the form to let us have it back as your child cannot receive the vaccination without it. If you have not returned a form for your child please do so as soon as possible.

This week the children will be shown a short film to explain the vaccination and how it is given.

## KEY STAGE 2 TUCK

We are changing the menu for what is on offer on at break time for children in Key Stage 2. From next week, we will not be offering a drink option on any day. Children can have access to their water bottles at any point during the day. Now that the weather has become colder, the iced fruit smoothies have become less and less popular. Therefore, we have decided to take these off the menu. Bags of dried fruit will replace this option on Friday. The weekly menu will look like this from next Monday (11<sup>th</sup> November).

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
