Fidget Spinners

Just a reminder about these toys.

—I wanted to let you know that the latest craze to hit the school is fidget spinners. Unfortunately we have had some cases of children swapping and losing them which has caused children to be upset. Therefore I have asked the children not to bring them to school anymore.

Newsletter

Dear Parents,

A group of children from Key Stage 2 are taking part in the 3M Super Food Challenge this week. This exciting Food Technology challenge asks children to design and make a healthy snack product strongly reflecting the ingredients and food culture of a chosen country. The judges at 3M will be looking for evidence of background research, nutritional awareness, and knowledge of scientific processes involved in the product's production - plus something that looks and tastes great. The children taking part will build on the product they made for our whole school Food around the World week. In addition to the snack, children will be designing a presentation to explain to the judges why they have chosen their ingredients and how these elements combine to make a great tasting snack. Good luck to all the children involved and Mr Law who has organised the Outwoods Edge team.

Mark Maksymiw (Headteacher)

SPORTING NEWS

Last week, six children in Year 1 participated in a Tri-Golf competition against Hall Orchard Primary School on Wednesday 10th May. The Outwoods Edge team had a fantastic time playing a new sport and **won** the entire competition!

Year 6 SATs—We have had a busy week in school. The children in Year 6 spent a large part of last week taking their end of year SATs tests in Reading, Grammar, Spelling and Maths. I want to congratulate the children on their efforts last week. I was impressed by their sensible attitude and by their determination to do well. The papers have been collected and, over the next few weeks, they will be marked independently. The marks are made available to school at the beginning of July and the children will receive their results before the end of term.

We Need You!

Saturday 1st July

Outwoodstock 2017

Please join us to help with the final organisation of Outwoodstock Festival! The event has the potential to be the biggest we have organised so we need your help! If you'd like to hold a stall, run an event or help organise a game then please come along to our meeting tonight, Monday 15th May at 6.15pm in the Parents Room, just off the reception.

If you aren't able to attend the event but would like to help please email : friends@oedge.net
