**Thursday**

Year 3 Trashion Show 5pm

Foundation Stage parents in 2.30pm

**Friday**

School breaks up for half term.

Children come back to school on Monday 5th June

## Newsletter

Dear Parents,

This half term has sped by. It seems hard to believe that we break up on Friday. We have packed a lot into the last five weeks, drama performances, sporting tournaments, Google Expedition, trips and visits and of course lots of work. Teachers have been busy planning topics and at the moment they are writing the children's reports. These will be given out towards the end of June and there will be the opportunity to come in and collect them and have a brief meeting with your child's class teacher.

Of course the last half term is a crucial part of the year. The children will be securing key parts of their learning so that they can make a good start to their new class. There are also the traditional end of year events, many of which you will be invited to. I will make sure that the dates of these events are in the first newsletter after half term.

Have a good half term.

Mark Maksymiw (**Headteacher**)

## Staffing Changes at Outwoods Edge

Several staff will be moving on at the end of the academic year and I will be letting you know the details after half term. However, one member of staff is leaving at the end of this week and therefore I wanted to let you know about that in today's newsletter. Mr John Tolton, the school's Site Manager is leaving on Friday as he has been promoted to a new position at Humphrey Perkins. John has been with us for seven years and he has worked hard to make sure the school is clean and safe for the children and staff. He has also overseen the building work, not only last year, but in previous years as well. John has used his own knowledge and expertise to repair and upgrade countless parts of the school to make sure the environment is kept in good working order and improved for the staff and children.

We will miss John when he leaves and I want to thank him for all his hard work, understanding and humour – all important attributes if you are going to work in a primary school!

## Year 3 & 4 Football Tournament

Last week, 40 children in year 3 and 4 participated in a boy's football tournament on Friday 19<sup>th</sup> May. Despite the miserable weather, the Outwoods Edge boys played fantastically in their teams and had lots of fun playing each other! A big well done to everyone who participated! A huge thank you to all the parents who came to support!

**Harry Taylor (Sports Ambassador)**

## LOST PROPERTY

We have got a lot of lost property piling up in the corridor at the moment. The drawers are bulging with sweatshirts, coats and many other items of clothes. We would like to have a clear out before half term. Therefore we will be putting all lost property out for you to see on Tuesday and Thursday after school. It will be displayed under the cover outside class Ash and Willow in their outside learning area. Please have a look to see if anything belongs to your child.

If there is anything left that we cannot identify we will be bundling it up and sending it to a clothes bank.
