## TOWN SPORTS

As well as Outwoodstock, it was also Town Sports this weekend. This is an annual fixture in which schools from Loughborough and around the town compete in an athletics event at the University. This year twenty two schools took part. Children from Years 4 to 6 ran, jumped and threw to see who was the best.

The Outwoods Edge children, resplendent in their new fluorescent running vests, competed in all the competitions and won a clutch of medals. Of particular note were the relay teams who managed third place medal in the Girls Year 5 race and the Boys Year 4 race.

Well done to all the children who took part.

## Other Sporting news

Over the past two weeks Outwoods Edge has had a busy sporting calendar. On Tuesday 20<sup>th</sup> June Year 5 and 6 girls participated in a football match against Boothwood Primary School. They successfully won the penalty shootout and made some new friends who they will play against next year!

The next day, Year 5 boys went to Hall Orchard Primary School and played a very challenging team. Despite a fantastic goal from Joshua Mee and a great effort from the entire team, Outwoods Edge unfortunately lost the game.

On Friday 23<sup>rd</sup> June, Y3/4 Girls played each other in a football tournament. The Outwoods Edge girls played fantastically in their teams and had lots of fun playing each other.

A big well done to everyone who participated! A huge thank you to all the parents who came to support!

## Newsletter

Dear Parents,

We have had a busy weekend of events at school and around Loughborough. Firstly, we hosted our Summer 'Outwoodstock' experience on Saturday. The weather was fair and warm which meant that all the stalls could be outside both on the playground and the field. There were lots of different experiences for the children to try from the climbing wall to geocaching. Lots of children challenged themselves to have a go at things that they may never had done before. I was amazed at the confidence that the children showed when tackling these challenges; whether it was stretching to find a foothold on the climbing wall or following the beat at the drumming workshop. I also want to pass on a big 'well done' to the children from the musical theatre group who entertained a crowd with their singing.

Of course none of this would have happened without the hard work of a band of volunteers who organised the whole event and school staff who came along to help out. Thank you to both.

Mark Maksymiw. **(Headteacher)**

## NEW CLASS ARRANGEMENTS FOR 2017/18

All the children now know who their teacher is going to be next year and they will have the opportunity to meet them this week on our transition days. We are fortunate at school to have another adult assigned to each class for much of the week. Their role is to support the children with their learning either individually or in a small group. Listed below are the names of who is going to be supporting in each class.

### Foundation Stage
