

Year 6 News

Summer Term Newsletter 2016

Dear Parents and Carers,

We are looking forward to an exciting and fun-packed Summer Term. This newsletter contains some key dates and information to keep you up-to-date with what your children will be doing in Year 6 this term.

Year 6 SATs — Monday 9th May to Thursday 12th May

We want to say a humongous well done for the children's effort, enthusiasm, perseverance and hard work towards their upcoming SATs.

They have given 100% to all of the revision completed so far and we have no doubt that the results will reflect their continuous hard work. Well done children – we are incredibly proud of you and you should be extremely proud of yourselves. A timetable for this week has been issued to the children along with this letter.

SATs results will return to school on the last week of the summer term and will be given to the children on Thursday 14th July, with corresponding letters sent home on this day.

—————Dates for Your Diary—————

Transition

We are currently beginning the process of meeting with your child's secondary school to pass on details about their academic and emotional progress and organise the final details of the transition procedure. We will be providing additional transition sessions for a small number of children to make the transition process as exciting and stress free as possible for them—we will have already spoken to you if your child has been considered for this.

Each child in Year 6 will attend up to two transition days at their new school during the week beginning Monday 4th July. These days are a chance for the children to experience life at Secondary School before September. The exact details of this will be confirmed to you in writing by your child's confirmed Secondary School.

If you have any questions about the transition process, please do not hesitate to contact us.

Year 6 Performance: Peter Pan

Following SATs, auditions and rehearsals will soon be under way for this year's Year 6 production of Disney's Peter Pan and the children are all incredibly excited about it. This will be shown to parents, families and friends on **Monday 4th July and Tuesday 5th July**. A letter regarding tickets and exact timings will be sent out nearer the time.

Return visit to the Skate Park!

Following the success of the visit to the Skate Park, which coincided with our topic 'Thrills and Spills' earlier in the year, we will be taking the children again on **Wednesday 13th July**. This trip is a reward for their incredibly hard work in their SATs and we will be asking for £2 per children to cover the cost of this trip. Full details of this trip will be sent out nearer the time.

Year 6 Leavers Disco: 'Glitz 'n' Glamour!'

The Year 6 Disco will be held on the evening on **Tuesday 12th July**, following the theme of Glitz 'n' Glamour (selected by the children!). Thanks to the Friends of Outwoods Edge, there will be no cost to this Disco and nibbles and drinks will be provided for the children. The children will be asked to adhere to the Glitz 'n' Glamour theme, dressing in a sparkly/glittery outfit or with a few sparkly/glittery accessories (such as a bow tie or top hat) to the disco, to make this event as memorable as possible for them. Letters regarding permission and final details will be sent out nearer the time.

Year 6 Leaver's Assembly

Get your tissues ready! Goodness me, we can't quite believe how quickly another year is flying by. The Year 6 Leaver's assembly will be shown to parents on **Thursday 14th July**, in the afternoon. Exact timings will be confirmed nearer the time.

With all of the above events, we are certain that the last term is going to be both very exciting and very busy!

Thank you for your continued support in your child's learning,

Mrs Williams, Mr Reeve & Mr Cook

P.E.

Our new P.E topics this term are Cricket and Athletics. Both of these P.E sessions will be taught outside
• and so it is essential that your child is prepared for all weather types. Tennis will continue to be taught by our external coach from the University. Class Redwood will have these sessions during the first half term and Class Cedar during the second half term.

Hot weather – sports trainers, black/blue/grey shorts, a white t-shirt and sun-cream. (Sun hat is optional but advisable)

Cold weather – old trainers, black, blue, grey joggers, a white t-shirt and a black, blue or grey jumper.

Indoor Shoes

Can we please take this opportunity to remind you that, although the children are in their final term of Primary School, a pair of suitable indoor shoes should be worn in school at all times. smartly.
