

Year 6

Sex and Relationships Education – Wednesday 28th June

Parents Drop-In ~ Thursday 22nd June 3:15pm

Dear Parents and Carers,

In Year 5 your child covered lessons teaching them about the emotional and physical changes they can expect to happen to them during puberty.

This year, we will be recapping the important information from these lessons and then use this knowledge to teach children how babies develop from conception to birth.

To help keep you informed, we would like to offer you the opportunity to come into school to discuss the learning objectives and see the teaching materials we will be using. This opportunity will be on **Thursday 22nd June at 3:15 in class Cedar.**

NB: Although we do not advise it, parents can withdraw their children from all or part of Sex and Relationships Education that does not form part of the statutory National Curriculum. If you wish to withdraw your child from all or part of the schools Sex and Relationships Education programme, please come and speak to either of us before the week beginning 26th June.

Please do not hesitate to contact us if you have any other questions or queries.

Thank you for your ongoing support in your child's education.

Yours sincerely

The Year 6 Team
