Dear Parents,

As part of our new topic of 'It's a Bug's Life' for the Spring Term we have arranged for a visit from a small company called 'Animals for parties' as the inspiration for our new topic. The visit will take place on the morning of Thursday 11th January and the children will be able to see, find out about and handle a range of creepy crawlies, which may include Hermit Crabs, Stick Insects, Madagascar Hissing Cockroaches, Giant African Land Snails, African Train Millipedes, Hairy the tarantula, Mario worms, locusts and mealworms. We hope this experience will spark the children's excitement and interest in our new topic for the rest of the term.

The experience will cost £3.50 per child. Please complete the slip below and return with your contribution. If your child is entitled to Pupil Premium you may choose to use this funding to pay for this visit.

We very much look forward to this visit and hope the children will gain a great deal from it.

Thank you
